# 2024-25 ACADEMIC COURSES

## ABR 231 : PROJ MGMT & IMPLEM - AUTO BODY

Students will develop and implement a project plan for specific auto body applications. They will practice identifying project tasks, skills levels required, costs, necessary materials and the time needed to complete the project. Following the development of the project plan, students will track their progress as they apply their skills and abilities to complete these tasks in a real world atmosphere.

**Level I Prereq:** Academic Reading and Writing Levels of 6; ABR 123 and ABR 124, minimum grade "C"
