

2022-23 ACADEMIC PROGRAMS

2022-2023 APPLIED DATA SCIENCE (CTADS)

Description

The Applied Data Science certificate is intended for students who want to pursue a career in data analytics ("big data") or enhance their current business skills. Students learn how to capture, manipulate, and analyze structured data-the massive volume of numeric values that can be easily stored and sorted. They learn how to transform data into information to enable faster and more intelligent decision-making.

Continuing Eligibility

Minimum grade of "C" in major/area courses.
