

## 2022-23 ACADEMIC PROGRAMS

### 2022-2023 HR SKILLS AND OPERATIONS (CTHRSO)

Program is also available online

#### Description

This program prepares students for entry-level jobs as a human resource assistant or specialist where they will be assisting in activities that range from recruiting, interviewing and hiring job candidates to evaluating jobs, negotiating contracts, and ensuring company compliance with equal opportunity regulations. This program also provides students with basic management skills that will improve their ability to manage people.
