

2023-24 ACADEMIC PROGRAMS

2023-2024 CONSTRUCTION MANAGEMENT/EMU CONSTRUCTION MANAGEMENT BS (AACMG01S1)

Description

The program prepares students to transfer into a bachelor's of construction management degree at Eastern Michigan University. Students who transfer will continue developing the skills needed to work for construction contractors, engineering/architectural firms, public agencies, or trade associations in positions such as office engineer, field engineer, safety engineer, project engineer, foreman, estimator, scheduler, expeditor, quality control engineer, inspector, material representative or independent contractor. Requirements vary by college, so students should obtain the current curriculum for the college to which they are transferring.
