

## 2023-24 ACADEMIC PROGRAMS

### 2023-2024 ADDICTION STUDIES (CTASTC)

Program is also available online

#### Description

This program is designed for professionals interested in pursuing Certified Alcohol and Drug Counseling (CADC) certification through the State of Michigan. Courses focus on knowledge and skills necessary for working with clients with substance abuse disorders. This program will fulfill the educational requirements needed for CADC. Additional requirements for work experience and supervision must be met outside of this program.
