
2021-22 ACADEMIC COURSES

ABR 112 : INTRO TO AUTOMOTIVE REFINISH

In this entry level, self-paced course, beginning painters build their knowledge for a career in the automotive refinishing industry. Students will be exposed to today's industry standard methods, such as learning how to apply base and clear systems, single stage coatings, primers, and sealers. This is a hands-on course where students will learn panel preparation, proper mixing of sprayable materials, proper spray gun techniques and industry safety procedures.

Level I Prereq: Academic Reading and Writing Levels of 6
