## 2021-22 ACADEMIC COURSES

### ABR 130: CUSTOM PAINTING

---

This course is designed for creative students with an interest in the art of custom painting. Participants in this course learn techniques such as air brushing, pin striping, and lettering, along with the creation of custom graphics, murals and etching. Students will use special effect colors such as pearls and candies on lab assignments that were expertly developed to help participants succeed in the field of custom painting. Students must purchase their own air brush.

**Level I Prereq:** Academic Reading and Writing Levels of 6; ABR 112 minimum grade "B"
