
2023-24 ACADEMIC COURSES

ANI 235 : COMPOSITING AND VFX

In this course, students will be introduced to the basics of compositing as used in animation. Students will use various software to combine different elements into a single image or series of images. These elements may include 2-dimensional images, 3-dimensional images, backgrounds, lighting as well as special effects such as fire, smoke, and fog. Students will also animate basic visual effects using various dynamic systems.

Level I Prereq: Academic Reading and Writing Levels of 6; ANI 150 minimum grade "C"
