

# 2024-25 ACADEMIC COURSES

## ATT 135: TRANSPORTATION FACILITY OPERATIONS

In this course, students will develop the skills needed to execute management level transactions in automotive technical and service environments. Students will learn about safety topics that pertain to working in the automotive industry and gain knowledge about mechanic and repair facility licensing requirements. Students will also review the standards, guidelines, and expectations in place at the state and national levels. This course was previously ASV 135. Level I Prerequisite: Academic Reading and Writing Levels of 6

**Level I Prereq:** Academic Reading and Writing Levels of 6
