
2024-25 ACADEMIC COURSES

ATT 174: CO-OP EDUCATION I

In this course, students will gain skills from a new experience in an approved, compensated position in the field of automotive service technology. Together with the instructor and employer, students set up work assignments and learning objectives to connect classroom learning with career-related work experience. Students will develop skills in each of the following four areas: critical thinking, transportation-related technical knowledge, communication, and professionalism. This is the first of two possible co-op experiences. This course was previously ASV 174. Level I Prerequisite: Academic Reading and Writing Levels of 6; consent required

Level I Prereq: Academic Reading and Writing Levels of 6; consent required
