

2022-23 ACADEMIC COURSES

BMG 140 : INTRODUCTION TO BUSINESS

In this course, students will develop insights into the functions, goals, and problems of modern businesses, large and small. In addition, the course covers the impact of consumer, governmental, and global forces on the free-enterprise system. A practical orientation of career opportunities available in business and industry is also provided.

Level I Prereq: Academic Reading and Writing Levels of 6
