

2024-25 ACADEMIC COURSES

CNT 234: NETWORK AUTOMATION

In the Network Automation course participants develop workforce readiness skills and build a foundation for success in automation-related careers and degree programs. Participants will learn, apply, and practice programming and infrastructure automation knowledge and skills through a series of in-depth hands-on experiences. This course will help learners prepare for the Cisco DEVASC certification exam. Level I Prerequisite: Academic Reading and Writing Levels of 6; CIS 120 minimum "C-"; CNT 226 minimum grade "C-"; CPS 141, minimum grade "C-"

Level I Prereq: Academic Reading and Writing Levels of 6; CIS 120 minimum "C-"; CNT 226 minimum grade "C-"; CPS 141, minimum grade "C-"
