

## 2021-22 ACADEMIC COURSES

### COM 170 : ADVANCED RADIO PRODUCTION

This course builds upon previously acquired skills to give students a greater understanding of the radio industry. Advanced work in editing, programming and production will prepare students for the day-to-day workings of a station, along with a greater understanding of ratings, formats and promotions. Students will also host a one-hour radio show on Orchard Radio, enhancing their live production skills. These combined experiences will give students the knowledge necessary to work in a variety of departments within the industry.
