

## 2021-22 ACADEMIC COURSES

### COM 200 : FAMILY COMMUNICATION

Students practice effective communication strategies including presentations, discussions and explain as they learn the foundations of family communication. Coursework will focus on practical application of how families work. Students will explore how families identify themselves through the creation of and presentation of personal narrative and genogram. This course also examines the ways in which family members interact in healthy and unhealthy ways to meet life's challenges and the ways media, government and religion influence the family.
