

## 2024-25 ACADEMIC COURSES

### DEN 129 : PATIENT ASSESSMENT

In this course, students gain experience in critical evaluation of a patient's health status in order to modify normal dental routines and apply the essential skills needed to assist in common dental/medical emergencies. Students will study diseases of teeth and supporting structures, oral pathology and systemic diseases and their relationship to oral health. Various drugs and their effect on medical/dental care are also studied. Level I Prerequisite: Academic Reading and Writing Levels of 6; DEN 106 and DEN 107, minimum grade "C"

**Level I Prereq:** Academic Reading and Writing Levels of 6; DEN 106 and DEN 107, minimum grade "C"      **Corequisites:** DEN.120
