

---

**CCP 113: HEALTH, SAFETY AND NUTRITION FOR CHILD CARE (WCC DISCONTINUED COURSES)**

---

This class is no longer offered as of Fall 2020.

Best practices in health, safety and nutrition are presented. Students develop specific competencies in these areas including establishing and maintaining a healthy, safe child care program, planning nutritious meals and snacks, and teaching children and their parents about health, safety and nutrition. Communicable diseases, government funded child/family food and nutrition programs, playground and toy safety and resources for the child care provider are included.

**Level I Prereq:** Academic Reading and Writing Levels of 6; CCP 101 minimum grade "C" and HSC 131 with grade "P"; both courses may enroll concurrently
