## NUR 222: HEALTH ASSESSMENT THROUGHOUT THE LIFESPAN

---

This class is no longer offered as of Fall 2019.

In this course, students are provided the beginning knowledge needed to assess the health status of individuals from infancy through old age, including physical, developmental, psychological, cultural and spiritual dimensions. The laboratory experience, focused on the adult client, provides students the opportunity for skill acquisition in history taking, assessment skills and documentation of findings. Individuals holding an RN or LPN may request an override of the course prerequisites.

**Level I Prereq:** Academic Reading and Writing Levels of 6; NUR 102 minimum grade "C"; NUR 106 with grade "P"; both courses may enroll concurrently
