
2023-24 ACADEMIC COURSES

DRA 240 : ACTING III

This is a performance-oriented course with an emphasis on ensemble acting skills and techniques. These skills apply to stage and film acting. There is an emphasis on more advanced voice projection, staging, physicality, character development and emotional expression. This course will focus on advanced ensemble projects involving script adaptation, script interpretation and group performance skills necessary for performing in an ensemble theatre setting that may include performances for the community or campus. The lessons, focusing on dramaturgic and acting skills, vary depending on the literature selections, which change each semester.
