

# 2024-25 ACADEMIC COURSES

## ECD 220: DEVELOPMENT AND CARE OF INFANTS AND TODDLERS

In this course, students will explore the critical role that the adult-child relationship plays in supporting infant and toddlers' optimal development and learning in three key areas: (1) social-emotional, (2) cognitive, and (3) language and literacy. Students will also gain knowledge and skills that support the unique characteristics of infants and toddlers from dual-/multilingual families. This course was previously CCP 225.

**Level I Prereq:** Academic Reading and Writing Levels of 6; ECD 101 minimum grade "C", may enroll concurrently
