

## 2021-22 ACADEMIC COURSES

### ENG 209 : TECH WRITING-ONLINE DELIVERY

In this hands-on course, students explore the concepts and challenges of single sourcing and topic-based authoring. Building on writing and project management skills learned in the prerequisite course, students use industry standard software such as MadCap Flare and Adobe RoboHelp to create technical information that can be customized for online, and mobile device delivery. The title of this course was previously Technical Writing III.
