

2023-24 ACADEMIC COURSES

GDT 108 : PHOTOSHOP GRAPHICS

In this course, students are introduced to the primary features and uses of Adobe Photoshop image-editing software. Lectures, demonstrations, exercises and imaging projects equip students in basic software tools and techniques for image correction, enhancement, compositing, and new image creation for both print and on-screen use. Students enrolling in GDT computer-based courses should be proficient in basic desktop computer operations.

Level I Prereq: Academic Reading and Writing Levels of 6; Academic Math Level 2

Description	Hours
