
2024-25 ACADEMIC COURSES

GLG 103 : FIELD GEOLOGY

In this course, students examine the processes that have formed and are forming the landscape by studying formations at local sites. Emphasis is placed on environmental impact on the landscape and waters of Washtenaw County. Traditional classroom lectures will be supplemented with field experiences to explore topics learned in class. Level I Prerequisite: Academic Reading and Writing Levels of 6

Level I Prereq: Academic Reading and Writing Levels of 6
