HSC 131 : CPR/AED AND FIRST AID

In this CPR/AED first aid training program, students prepare to respond to injuries and sudden illness. Students develop the knowledge to prevent injuries and skills necessary to recognize and provide basic care for injuries and sudden illness. The course includes adult CPR/AED, child and infant CPR and first aid. Students who complete the course and pass the exam and checkoff may select either the American Heart Association (AHA) or the American Red Cross (ARC) certificate. The title of this course was previously CPR/AED for the Professional Rescuer and First Aid.
