

## 2022-23 ACADEMIC COURSES

### HST 216 : U S MILITARY HISTORY

In this course, students trace the American military from its pre-colonial origins to the present. They will examine the relationship between the American economic, social, and political systems and the nation's military, as well as the impact of the nation's geography on the military's organization and mission. Key conflicts will receive detailed attention in an effort to discern if there is a unique "American Way of War."
