
2021-22 ACADEMIC COURSES

NUR 116 : PERIOPERATIVE NURSING

Through lab and clinical settings, students will develop a well-defined foundation of perioperative nursing concepts and basic skills for aseptic technique, patient safety and teamwork that can be translated into clinical experiences. The course is designed as an elective in general nursing programs to help educate student nurses on perioperative nursing concepts.

Level I Prereq: Academic Reading and Writing Levels of 6; NUR 128 or NUR 134, minimum grade "C+"
