

2021-22 ACADEMIC COURSES

PTA 195 : INTRODUCTION TO DISEASE

In this course, students are introduced to the study of disease and disease processes in humans. Emphasis is placed on the impact of disease on body systems, development and rehabilitation. Lecture and student presentations will describe diagnosis and pathology, treatment, medication, prognosis and implications for physical therapy treatment by the PTA when working under the direction and supervision of a licensed physical therapist.

Level I Prereq: Academic Reading and Writing Levels of 6; PTA 180 minimum grade "C"
