

2024-25 ACADEMIC COURSES

PTA 198 : SOFT TISSUE MANAGEMENT

In this course, students apply and build on the knowledge of human anatomy and clinical kinesiology and learn the safe and appropriate use of soft tissue techniques. These include, but are not limited to, basic soft tissue massage and compression to be performed under the direction and supervision of a licensed physical therapist. Lecture, demonstration, lab practice and patient simulations will be used to develop problem-solving and technical skills needed for clinical application. Level I Prerequisite: Academic Reading and Writing Levels of 6; PTA 220 minimum grade "C"

Level I Prereq: Academic Reading and Writing Levels of 6; PTA 220 minimum grade "C"

Description	Hours
Credits	2
