

## 2021-22 ACADEMIC COURSES

### PTA 225 : THERAPEUTIC EXERCISE II

This course continues the study and application of theory, principles and procedures necessary for patient treatment using goal-directed exercise as a treatment modality, under the direction and supervision of a licensed physical therapist. General exercise as well as exercise for specific populations and diagnoses will be included. Students will practice instruction, progression and justification of exercise programs as well as monitoring and documentation of patient response and/or simulated patient interaction. Laboratory activities will correlate with lectures and will include practice, patient simulations and demonstrations.

**Level I Prereq:** Academic Reading and Writing Levels of 6; PTA 220 minimum grade "C" **Corequisites:** PTA.198, PTA.240

Description	Hours
Credits	4
