
2023-24 ACADEMIC COURSES

UAT 213 : PLANNING AND TEACHING ADVANCED

In this course, students will develop teaching skills by designing courses and using interactive teaching techniques. Students will review strategies for working with various learning skill levels, including ideas and procedures for working one-on-one with students. Classroom questioning strategies and discussions will also be explored. The title of this course was previously Planning and Presenting Lessons. Limited to United Association program participants.

Level I Prereq: Academic Reading and Writing Levels of 6
