
2021-22 ACADEMIC COURSES

VID 260: GREEN SCREEN II

In this advanced techniques course, students will have the opportunity to write and create one or more original green screen videos by performing all aspects of production and post-production. Productions, with an emphasis on continuity and color matching, will be planned and shot with artificial environments involving the intricacies of full scenes.

Level I Prereq: Academic Reading and Writing Levels of 6; VID 255
