

## 2023-24 ACADEMIC PROGRAMS

### GENERAL STUDIES (AGGSD)

#### Associate in General Studies

The General Studies degree is the perfect way for you to earn a degree by creating a personalized program that meets your career goals. This gives you the ability to select coursework from all areas of the college to create an individualized pathway that works for you. By offering an employment or a transfer pathway there is flexibility for everyone.

You can either select a pre-designed pathway or design your own 60-credit program with an [academic advisor](#).

#### Employment Pathway

The employment pathway offers you the ability to customize a plan that will give you the skills needed to directly enter the workforce.
