Description

This program is designed for students who are interested in earning a Bachelor of Science degree in Engineering Technology at Wayne State University. Students may choose from one of three engineering technology degrees at WSU: Mechanical, Electrical/Electronic or Electromechanical. Engineering technologists (ET) create the objects we depend on, from smartphones to suspension bridges and everything in between. They can apply their abilities in using technical equipment, selling technical products, supervising construction projects and manufacturing processes, and more. Students should check with an advisor for information on transferring.
