

## 2022-23 ACADEMIC PROGRAMS

### NURSING, REGISTERED (APNURS)

#### Associate in Applied Science

This associate degree RN program prepares students for the National Council Licensure Examination for Registered Nurses (NCLEX-RN). Students can earn credits that transfer to RN-to-BSN completion programs. Students will be prepared to succeed in a dynamic healthcare environment.

WCC uses a [competitive admission process](#) for high demand programs in health care. In addition to [admission to WCC](#), this program requires a second application. Please see the [application packet](#) for specific admission requirements/criteria and [related policies](#).

Each year, approximately 100 students are accepted to this program for a Fall (72 students) and Winter (28 students) semester start.

This is a **high demand, high skill** and **high wage** program as defined by the [Michigan Community College Network](#).

#### Accreditation

The Associate Degree in Nursing program is approved by:  
Michigan Board of Nursing (NCSBN)  
Bureau of Health Care Services

#### Admissions Requirements

WCC uses a competitive admission process for high demand programs in health care. Each year, approximately 100 students are accepted to the program; please see the application packet for the number of seats available each term. There are multiple requirements that must be completed prior to submitting an application for admission. Students with two WCC NUR course failures or withdrawals in failing status are not eligible to apply to this program. Applicants are required to meet all admission criteria and will be ranked based on a point system. The best qualified applicants will be selected for admission to the program. Student residency will be a weighted factor in the process. Details regarding WCC's Admission to High Demand Programs policy including priority levels are on WCC's Board of Trustees page: <https://www.wccnet.edu/trustees/policies/2005/>. Details regarding WCC's point scales that are used to calculate points are on WCC's Student Welcome Center, Health and Second Tier Program, information page: <https://www.wccnet.edu/start-now/degree/2nd-tier/>.

Prerequisite and program requirements along with WCC's point system and scales are reviewed annually and subject to change. Students are expected to meet the prerequisite and program requirements of the catalog term for the semester in which they first begin the program.

Students are encouraged to complete required support courses prior to beginning the program. This is a full-time program; no part-time option is available.

Requirements for application are:

1. Admission to WCC.
2. All applicants are required to attend a Mandatory Nursing Information Session prior to applying to the program. <https://www.wccnet.edu/start-now/degree/2nd-tier/mandatory-nursing-info-session.php>
3. Program prerequisite courses:
  - a. MTH 160 or MTH 176 or a math course numbered 176 or higher with a minimum grade of C/2.0.
  - b. BIO 111 with a minimum grade of B-/2.7.
  - c. COM 101, COM 102 or COM 200 with a minimum grade of C/2.0.
  - d. ENG 111 with a minimum grade C/2.0.
4. Current or expired Certified Nurse Aide (CNA) certification from the state of Michigan or HSC 100 or HSC 164 or HSC 165, with a minimum grade of C/2.0.
5. Pass the current version of the Test of Essential Academic Skills, ATI-TEAS <https://www.wccnet.edu/start-now/degree/2nd-tier/teas.php>, by achieving the following minimum scores:  
Math proficiency - 60 percent or higher  
Reading proficiency - 70 percent or higher  
English and Language Usage proficiency - 60 percent or higher  
Science proficiency - 45 percent or higher

If repeated TEAS test attempts are needed to meet required scores, the highest subject score from each attempt will be applied towards admission requirements. Students will be allowed a maximum of three (3) attempts within five (5) years to take the TEAS and achieve the minimum scores required.

6. Signed Abilities Statement. WCC reserves the right to request, before or during the program, that students successfully demonstrate the specific physical and cognitive abilities related to the Nursing program.
7. Residency verification.
8. Upon acceptance, students are required to submit health records, undergo drug screening and criminal background checks using a vendor selected by the College.
9. Students should be aware that the Michigan Board of Nursing may deny a license to an applicant who has been convicted of a crime or is addicted to drugs or alcohol.

**Applying for Admission to the Program**

A formal application and acceptance to the program is required. Application packets may be downloaded from WCC's Student Welcome Center, Health and Second Tier Program, information page: <https://www.wccnet.edu/start-now/degree/2nd-tier/>. Completed and signed applications must be submitted to the Health and Second Tier Admissions Office in the Student Welcome Center, located on the second floor of the Student Center Building during the dates indicated on the application.

**Requirement After Acceptance**

Upon acceptance, students must purchase an account from a college-designated vendor to obtain a criminal background check and to track their health records. The criminal background check and health records must be submitted to the designated vendor. Specific information regarding the college-designated vendor, health records, and deadline dates will be included in the program acceptance letter and/or provided at the mandatory orientation session.

There is mandatory attendance at the new student orientation session upon acceptance into the program. Students who do not make admission but are given alternate candidate status will be required to attend orientation to be eligible to move to accepted status if a seat becomes available.

**Continuing Eligibility**

- Additional criminal background checks may be conducted at any time during the program. Students may be required to have drug testing as well as additional criminal background checks and/or fingerprinting prior to the start of a clinical sequence as requested by specific clinical facilities. Any student found to have a positive drug screen for drugs prohibited by State of Michigan or Federal law (including marijuana) or controlled substances will be dismissed from the program. Failure to receive an acceptable criminal background/fingerprinting at any time, will result in dismissal from the program. Any cost, if indicated, for these checks is the responsibility of the student.
- Program courses are sequential and complemented with appropriate support courses.
- All Registered Nursing (NUR) courses must be completed with a minimum grade of C+/2.3 and all support courses to the program must be completed with a minimum grade of C/2.0 unless otherwise specified.
- Students are required to adhere to rules of the American Nursing Association (ANA) Nursing Code of Ethics.
- Students should be aware that the Michigan Board of Nursing may deny a license to an applicant who has been convicted of a crime or is addicted to drugs or alcohol.
- Students are required to meet clinical health requirements and to provide records verifying same while in the program.
- Students in the Nursing program will be required to purchase special uniforms and supplies throughout the duration of the program.
- Students who are dismissed from the program may not be eligible to reapply to the program.
