HEALTH ADMINISTRATION/EMU HEALTH ADMINISTRATION BS (ASHA01N3)

Associate in Arts Transfer Program

Get your start at WCC to save money before transferring to Eastern Michigan University (EMU) to pursue a bachelor's degree in Health Administration.

Starting at WCC, you'll be prepared for a rewarding degree and continued education in Health Administration from EMU.

This program provides the skills necessary for the entry-level employment in healthcare management. People in this industry lead and oversee the operation of complex health care entities including hospitals, outpatient facilities, health care systems, pharmacies, long-term care facilities, mental health centers, fitness centers, insurance companies, schools and public health systems.

Upon completion of this associate degree, you'll have the knowledge needed to understand medical terminology, apply health care knowledge in economic analysis, accounting, and effectively communicate with team members.

This is a **high demand, high skill and high wage** program as defined by the [Michigan Community College Network](#).
