PRE-ENGINEERING SCIENCE TRANSFER/EMU MECHANICAL ENGINEERING BS (ASPET01E1)

Associate in Arts:
Transfer Program

This program prepares students for transfer to a bachelor of arts or science degree program at Eastern Michigan University, where they will further improve their communication and interpersonal skills in personal, professional and public contexts. Students should check with an advisor for information on transferring.

Description

This program prepares students for the Mechanical Engineering BS program at Eastern Michigan University. EMU’s program is designed to provide graduates with a strong technical foundation that integrates the methods, materials, machinery and power resources found in modern industry. Students should check with an advisor for information on transferring.
