

2024-25 ACADEMIC PROGRAMS

CARDIAC TELEMETRY TECHNICIAN (CCCTT)

Certificate of Completion

Gain the skills needed for a rewarding career as a Cardiac Telemetry Technician.

Cardiac Telemetry Technicians are health professionals responsible for measuring and reporting the patient's heart rhythm and rate. As a student in this program, you'll learn to ensure proper electrode placement on the patient, record the Electrocardiogram (ECG) and measure, interpret and report ECG wave form results to the nursing staff and physician.

Upon successful completion of the certificate, you'll be eligible to take the National Certification Electrocardiogram (ECG) Exam.
