

2023-24 ACADEMIC PROGRAMS

CARDIAC TELEMETRY TECHNICIAN (CCCTT)

Certificate of Completion

Students in this program learn the skills required to become Cardiac Telemetry Technicians. Cardiac Telemetry Technicians are health professionals responsible for measuring and reporting the patient's heart rhythm and rate. Students will learn to ensure proper electrode placement on the patient, record the Electrocardiogram (ECG) and measure, interpret and report ECG wave form results to the nursing staff and physician. Upon successful completion of the certificate, students will also be eligible to take the National Certification Electrocardiogram (ECG) Exam.
