

2024-25 ACADEMIC PROGRAMS

CONSTRUCTION SUPERVISION (CTCNS)

Certificate

This construction supervision certificate program enables apprentice and journey-level members of the articulated union building trade apprenticeship programs to enter the job market with knowledge and skills in planning, organizing and supervising construction projects. This certificate provides an option for those who want to attain a higher position in the construction field and for those desiring to start their own companies.

All of the classes are online—you never have to come to campus. They're flexible and convenient, since you take them on your own schedule wherever there's a computer with a high-speed Internet connection. Your instructors are professionals and industry leaders from around the country, and your classmates are often union brothers and sisters.

This is a **high demand, high skill** and **high wage** program as defined by the [Michigan Community College Network](#).
