

## 2024-25 ACADEMIC PROGRAMS

### SUPPLY CHAIN OPERATIONS (CTSCO)

---

#### Certificate

Students who complete this certificate will be knowledgeable, capable and enthusiastic employees who can effectively perform in a supply chain setting. Students will be prepared to:

- use the knowledge and skills learned in a supply chain setting,
- ensure that products and services are available to the final consumer in a timely and cost-effective fashion, and
- maintain the service level customers demand.

As part of the program, students will be ready to take the tests needed to receive their CLA (Certified Logistics Associate) and CLT (Certified Logistics Technician) industry certifications.

This is a **high demand, high skill** and **high wage** program as defined by the [Michigan Community College Network](#).
